Dear Mr. Spears:

This is to acknowledge your consultant's letter, dated May 14, 1997, that forwarded a properly certified CAP-Part A for our review.

The technical proposal, contained in Sections 1. through 4. of the CAP-Part A for proposed investigative and/or remedial actions for contaminated media resulting from the referenced release at the subject location is hereby approved by the Environmental Protection Division with the following comment: the appropriate soil threshold values for this facility are Table A . 500 feet to withdrawal point. As a result of your CAP-Part A being technically approved, you are authorized to begin implementation of this plan.

Please submit an updated milestone schedule by August 23, 1997, listing specific dates, events and a timetable to complete the proposed activities. If you have any technical questions, please contact me at (404)362-2687.

Sincerely,

Kenneth F. White
