HALLOWEEN SAFETY TIPS

Make sure young children are accompanied by an adult or responsible Teenager when they go door-to-door.

If children are going to be out after dark, make sure they carry a flashlight.

Teach your children to use the sidewalks if they can. If there are no sidewalks, walk on the left side of the street facing cars.

Instruct children never to eat anything until they are home and the treats have been carefully examined. Cut and wash fruit before eating. Throw Away anything unwrapped.

Leave your porch light on so children will know it's OK to visit your home.

Decorate costumes and treat bags with reflective tape for easier night Visibility.
