

Sustainability Management System Statement

The mission of Fort Stewart/Hunter Army Airfield is to train and rapidly deploy heavy, armored forces as well as elite light fighters by air, land, and sea to conduct mobile, combined arms offensive and defensive operations worldwide. To ensure the continuing ability to perform this critical mission the Soldiers, Army Civilians, and contracted personnel working on Fort Stewart/Hunter Army Airfield must prevent pollution; conserve natural resources; comply with all federal, state, and local laws and regulations; and strive to continually improve environmental stewardship. Fort Stewart/Hunter Army Airfield is committed to simultaneously maximizing the performance of the Mission; minimizing our impact on the environment; while ensuring the well-being of Soldiers, Family Members, and surrounding communities. To achieve this goal, Fort Stewart/Hunter Army Airfield will continue to implement and maintain an effective, integrated Sustainability Management System.
