

FORT STEWART HUNTER ARMY AIRFIELD SUSTAINABILITY POLICY

R	RESOURCES	 
O	OPTIMIZE	
C	COMPLIANCE	
K	KEEP IMPROVING	
	<i>Sustainable Fort Stewart/ Hunter Army Airfield</i>	

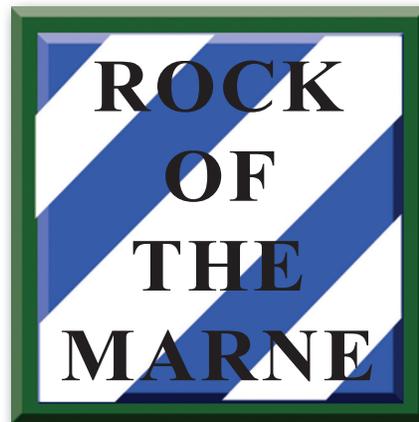

The mission of Fort Stewart and Hunter Army Airfield is to train and rapidly deploy heavy, armored forces as well as elite light fighters by air, land and sea to conduct mobile, combined arms offensive and defensive operations worldwide. To ensure the continuing ability to perform this critical mission, the Soldiers, Army Civilians and contracted personnel working on Fort Stewart/Hunter Army Airfield must:

- a. Prevent pollution;
- b. Conserve natural resources;
- c. Comply with federal, state and local laws and regulations; and
- d. Strive to continually improve environmental stewardship.

Fort Stewart/Hunter Army Airfield is committed to simultaneously maximizing the performance of the mission; minimizing our impact on the environment; while ensuring the well-being of Soldiers, Family Members, and surrounding communities. To achieve this goal, Fort Stewart/Hunter Army Airfield will continue to implement and maintain an effective, integrated Sustainability Management System.

Important Note: Annual SMS awareness training is required:

 (Revised September 2011)

Three things every Soldier, Army Civilian, and support contractor of Fort Stewart/Hunter Army Airfield must know:

1. Know that SMS is the Sustainability Management System. We use the SMS to implement the Fort Stewart/Hunter Army Airfield Sustainability Policy.
2. Know the basic contents of the Policy. Refer to the policy on the back page – Remember: **ROCK of the Marne!**

R = **RESOURCES**: Prevent Pollution & Conserve Natural Resources

O = **OPTIMIZE**: Optimize the MISSION, Well-being and the Environment

C = **COMPLIANCE**: Comply with federal, state and local laws and regulations; and

K = **KEEP IMPROVING**: Strive to continually improve environmental stewardship

3. Know the Environmental impacts of your job!

- Know the possible causes of environmental impacts from the activities you perform and manage your activities using proper procedures.
- If you have been designated to perform an activity that could result in a significant environmental impact, you must know how to properly manage that activity.

4. Know that everyone has a role and responsibility in Fort Stewart/Hunter Army Airfield SMS. Our goal is to sustain the mission while minimizing impacts to the environment and maintaining the best quality of life.

Fort Stewart/Hunter Army Airfield's SMS focuses on Land Use and Water Use. Our SMS emphasizes Threatened & Endangered Species management, solid waste reduction and water conservation.

How Can You Contribute?

Recycle at Work and at Home: Don't let your efforts go to waste, keep waste and recyclables separate!

Conserve Water:

- Turn off the water while you brush your teeth.
- Sweep the driveway instead of spraying it down with a garden hose.
- Use harvested rain water instead of potable water to irrigate and water plants.
- Install low-flow fixtures, such as shower heads and low flow toilets.

Protect Threatened & Endangered Species (TES): Be mindful of TES habitats when working in the training areas. Some areas have restrictions that must be upheld.

Adhere to Standard Operating Procedures (SOPs): Know and follow all SOPs for your job, to include recycling SOPs, spill response SOPs and guidance for proper handling of hazardous waste.

Become Informed: To find out more information, watch the SMS training video at <http://www.stewart.army.mil/dpw/EN.asp>, contact your unit Environmental Compliance Officer, or call the SMS Management Representative or Lead at 767-2010.

Remember: Sound Sustainable management of our resources enables maximum use of training lands and facilities to train Soldiers, reduces potential environmental impacts, and maximizes efficient use of Fort Stewart/Hunter Army Airfield resources!
