Office of the Commanding General

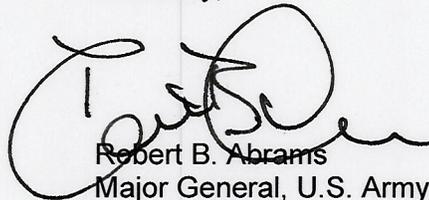

Dear Friends of Georgia's Division:

Thank you for your continued commitment to our Soldiers and Families stationed at Third Infantry Division, Fort Stewart and Hunter Army Airfield. Your continued support helps to strengthen our partnerships throughout Coastal Georgia, our surrounding communities, and provides a warm and friendly community for our Soldiers and Families to call home.

The Community Relations Branch of the Third Infantry Division, Fort Stewart and Hunter Army Airfield Public Affairs Office (PAO) is proud of the outreach support it coordinates for communities throughout Coastal Georgia and beyond. I place great significance on this effort and retain local approval authority for all requests. To support that outreach, I ask you to inform us of pending support requests as soon as you realize a need during your long range planning sessions. While you may submit support requests as soon as you identify them, submitting requests at least 90 days prior to the event's date will best ensure we can meet your intent for support. Events within 90 days of execution may impact scheduled unit training and we may not be able to support these events. We strive to provide quality support to our community partners.

The enclosed document explains how to request the most common types of support requests we receive. If you have further questions, please contact Fort Stewart's consolidated PAO at 912-435-9874 / 9872 or email Mrs. Dina McKain at [dina.mckain@us.army.mil](mailto:dina.mckain@us.army.mil) or Mr. Pat Young at [patrick.m.young8.civ@mail.mil](mailto:patrick.m.young8.civ@mail.mil).

Sincerely,

Robert B. Abrams  
Major General, U.S. Army  
Commanding
