INSTRUCTIONS TO REGISTRANT

Information contained in this Vehicle Registration Packet should be updated as changes occur. The operation of a POC on a military installation is a privilege extended by the Installation Commander subject to compliance with appropriate State Laws pertaining to financial responsibility, safety inspections and registration; to conditions established in paragraph 2-1, ARE 190-5 and AR 190-5-1; and other appropriate regulations. Failure to comply with such laws and regulations may result in the administrative suspension or revocation of driving privileges or termination of installation registration. The registrant must remove the registration decal from the registered vehicle upon ETS (unless also a dependant), termination of employment, or sale of the POV.

I have read / understand and will comply with the above statement.

VEHICLE PRE-REGISTRATION INSTRUCTIONS

Upon receipt of the DD2220 / Expiration decal / Post Identifier / SR Grade Identifier, personnel must affix the decals promptly. No other decals will be located above DD2220. Decals will be applied in accordance with the below diagram:

Decal placed at the Top / Center of the front windshield.

Decal must not be obstructed by accessories. Failure to place the decal in accordance with these guidelines will result in delayed / denied entry to the installation.
